## ABOUT THE FACILITATOR

Megan Thorn is the Waikato/Auckland/Northland Manager for Exult and is passionate about supporting community and non-profit organisations at the business end of what they do. How can they raise funds? How can they market their cause? How can they grow a great volunteer team?

Megan has over 16 years' experience in training and facilitation and has a real knack of delivering useful information in an engaging way. She is an active volunteer with Bellyful Hamilton, so appreciates the real day-to-day challenges faced by non-profit organisations at a local level. She will make you laugh and think, but most of all she will give you practical tools you can easily implement in your organisation.
