### **Totara Valley : Future Infrastructure Requirements**

In 2004 Council received submissions from Totara Valley property owners seeking potable mains supply water, sewage disposal, stormwater disposal in the Totara Valley area, and a sealed road surface beyond the junction of Totara Valley and Sawmill Roads.

To ascertain what the demand is now and what it could be in the future for the provision of these services, we would appreciate it if you would complete the attached questionnaire as a precursor to Council holding a meeting of Totara Valley Road / Sawmill Road residents to discuss the matter fully with staff.

From the information you supply we will be able to calculate the present and future demands in the Totara Valley area which will have a direct bearing on the design capacities of the infrastructure.

Would you kindly complete the following form and return to Council in the stamp addressed envelope by

Faithfully

Mike Martin  
**Area Manager, Thames/Coromandel**  
**POLICY AND PLANNING**

# TOTARA VALLEY

## Future Infrastructure Requirements

**Please Return By: Friday .. June 2005**

### Property Owner's Details

Name of property owner(s)	.....
Property Address	.....
Size of Property	.....

### Infrastructure Requirements

Do you require:	Mains potable water	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
	Mains sewage disposal	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
	Stormwater disposal	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
	Road widening and sealing (Totara Valley Road)	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
When do you require this infrastructure?:	<input type="checkbox"/> Now	<input type="checkbox"/> Within the next 3-5 yrs	<input type="checkbox"/> Within the next 5-10 yrs
