Good Morning

There are a couple of public policies that cover the themes you mention and which are available on our website:

[Significance and Engagement Policy](#)

and for our Elected Members:

[Code of Conduct](#)

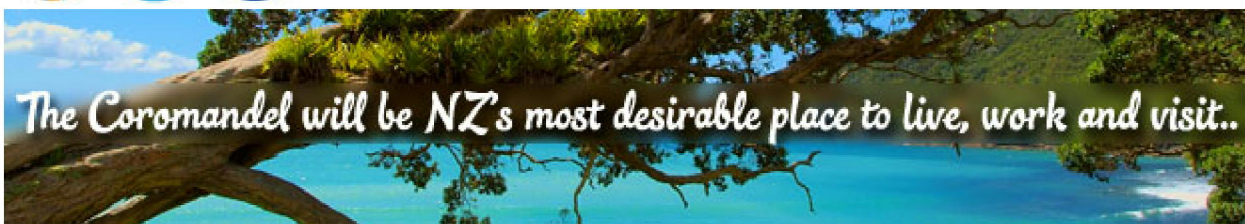

In addition, page 26 of the [LTP](#) has some information on expected standards of service and our website also some information on [Council's Vision Mission and Outcomes](#)

I hope this is helpful. Please contact our customer services team to assist with any queries you have for the economic development team.
